Dear Pharmacy Provider (NPI): 1003178948

As previously notified, Pharmacy providers started enrolling in CHAMPS beginning in July 2013. An audit finding by the Office of Auditor General earlier this year recommended the Michigan Department of Community Health (MDCH) and its Pharmacy Management Division work toward ensuring all participating pharmacy providers disclose their enrollment information in CHAMPS to facilitate the automated monthly program integrity checks now required for all Medicaid providers as a result of the Affordable Care Act.

On August 29, 2014, pharmacies not yet directly enrolled in CHAMPS were mailed a letter with enrollment instructions for a September 30, 2014 deadline. Subsequently, a facsimile notice went out to those outstanding pharmacies still actively submitting claims but not yet enrolled in CHAMPS. MDCH has determined that you have not enrolled in CHAMPS as required by 42 CFR 455.414 and therefore your Medicaid enrollment has been terminated as of January 20, 2015.

You have the right to appeal your Medicaid enrollment termination. If you wish to request an administrative hearing, please submit your written request within 30 calendar days of receipt of this notice to:

Michigan Administrative Hearing System
Michigan Department of Licensing and Regulatory Affairs
PO Box 30763
Lansing, Michigan 48909

Your request for a hearing must specifically identify the aspects of the determination with which you are dissatisfied, explain the reason(s) for your dissatisfaction, and include any documentary evidence to support your position. To inquire about potential appeal rights, please contact the Michigan Administrative Hearing System (MAHS) at 1-877-833-0870.

If you have questions regarding this notice you may contact our office at MDCHPharmacyServices@michigan.gov for assistance.

Sincerely,

A handwritten signature in cursive script that reads 'Trish M. O'Keefe, MPA, RN'.
