

## **\*\* Notice \*\***

Effective **01/01/2014** - Please review the announcement below.

### **CAQH Requirements Compliance**

As required by the Committee for Affordable Quality Healthcare (CAQH), Magellan Medicaid Administration is presently seeking to comply with new CAQH requirements as of **January 1, 2014**. The required changes apply to entities that use, conduct, or process the v5010 835 transaction.

### **Impacted Areas**

Each component of the Operating Rule Changes has been assessed for impact. The impacted areas are as follows:

- EFT/ACH – format to always return the TRN segment using the CCD+ format
- ERA/835 – BPR16 – EFT Effective Date
- Denied claims reporting CARC and CAGC
- ERA and EFT online enrollment

### **Mandate January 1, 2014**

- Covered Entities must comply with CAQH Phase III Core EFT and ERA Operating Rules per Section 1104 of the ACA (Affordable Healthcare Act).
